Parent and Family Engagement 1% Budget Survey

Mt. Zion Elementary
Clayton County Public School District
September 20, 2017

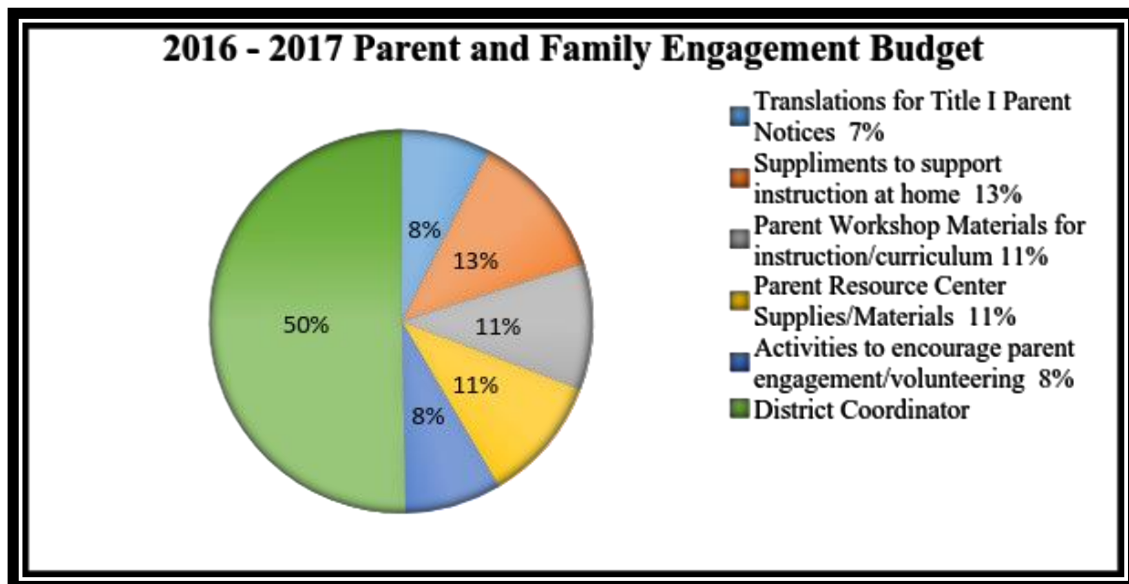

Dear Parents and Family Members,

We value your input! As a parent of a child who receives Title I services in our school, you have the right to give input about how the school district budgets and spends its Title I Parent and Family Engagement money. Over the last few weeks, our school held various meetings with parents and family members to revise our school's Parent and Family Engagement policy for next school year.

We hope you had the chance to participate in one of these meetings. In the meetings, we discussed the following:

1. Parents and family members stated that they like having a district parent coordinator who is a liaison for them and provides family engagement opportunities at the school.
2. Parents and family members have asked for a place at the school where they could meet and learn how to better support their child's learning.
3. Parents and family members would like to have workshops on helping their child with math, reading, and homework help.
4. Parents and family members asked for more cultural diverse meetings.
5. Parents and family members asked for more resources on how to help their child at home.

We have \$2,800 in the Title I Parent and Family Engagement budget. Last year, we spent the money this way:

This year, given our parents' request to have a space where they could meet, have culturally diverse meetings, and learn how to better support their child's learning, we would like to maintain our parent and family resource center at the school. We will use the money towards supplies and materials for the parent and family resource center. We would like to spend the Title I Parent and Family Engagement budget this way:

Parents please click on the link below to take the brief survey and give input on the Title I Parent and Family Engagement 1% Budget.
