

Mount Zion Elementary

2984 Mt. Zion Rd.
Jonesboro, GA 30236

Rochelle Harris, Principal

Wendell Span, Assistant Principal

August 9, 2019

My name is Benjamin Scott and I am your Title 1 Parent Liaison. I am a graduate of Bethune Cookman University and finished with a Bachelors of Science degree in Business Administration with a concentration in marketing. Upon graduating, I acquired many skills that prepared me for success in the field of education working with children and parents. I have worked in the school district as a substitute for over 2 years and have been active in the community through my church and coaching. Many of those skills focus heavily on customer service and the importance of presentation and organization. In my free time, I enjoy a variety of music, concerts, playing the drums, competitive sports, and discovering great restaurants and places to eat. I also appreciate sharing knowledge I have acquired over the years with the upcoming generation; whether it be through teaching music, coaching basketball and football, or simple day to day interaction with children.

In the near future, my aspirations include educating youth on financial literacy and make an indelible impression in the lives of young future leaders of tomorrow. I believe in order to achieve the greatest educational outcome for our students, parents, staff and teachers must take the initiative to help students overcome learning challenges and lack of resources. Overall, one of my greatest strengths is teamwork. I am a true believer in “Together. Everyone. Achieves. More” because I have witnessed the power of a productive team. As a member Mt. Zion Elementary team, I would like to extend my services and resources to ensure the absolute best result of your child’s education. To ensure your student receives the best education, our school consistently provides educational support, vital information, and strong community alliances. Our Parent Resource Center provides wonderful learning exercises, literature, workshops, games and more all at your disposal to strengthen areas of academics. We offer insightful informational sessions, academic workshops to provide concise instruction, computer usage for parents and family, resources for projects and many other valuable assets. The Parent Resource Center is available from 8:00 am to 3:00 pm in Room 105 (module 50 until renovation is complete). I can be contacted at (770) 968-2935 or email at benjamin.scott@clayton.k12.ga.us. Please feel free to stop by at any time to utilize the PRC and myself at your convenience.
