Dear Parents/ Guardians of MZE,

My name is Benjamin Scott and I am your Title I Parent Liaison here at Mt. Zion Elementary. I am a graduate of Bethune Cookman University and finished with a Bachelors of Science degree in Business Administration with a concentration in marketing. Upon graduating from Bethune I acquired many skills that prepared me for success in the field of education working with children and parents. I have worked in the school district as a substitute for over 2 years and have been active in the community through my church and coaching. Many of those skills focus heavily on customer service and the importance of presentation and organization. In my free time, I enjoy a variety of music, concerts, playing the drums, competitive sports, and discovering great restaurants and places to eat. I also appreciate sharing knowledge I have acquired over the years with the upcoming generation; whether it be through teaching music, coaching basketball or football or simple day to day interactions with children.

In the near future, my aspirations include educating youth on financial literacy and make a lifelong impression in the lives of young future leaders of tomorrow. I believe in order achieve the greatest educational outcome for our students, parents, staff and teachers must take the initiative to help students overcome learning challenges and lack of resources. Overall, one of my greatest strengths is teamwork. I am a true believer in “Together. Everyone. Achieves. More” because I have witnessed the power of a productive team. As a part of the Mt. Zion Elementary team, I would like to extend my services and resources to ensure the absolute best result of your child’s education. We have some wonderful learning exercises, literature, workshops, games and more all at your disposal. Please feel free to contact me at benjamin.scott@clayton.k12.ga.us or (770) 968-2935. When face-to-face learning resumes, visit our Parent Resource Center from 8:00 am to 3:00 pm in Room 105.

Sincerely,

Benjamin W. Scott
